Scripture

Read your Bible verse and write it here.
Underline words that stand out.
Circle anything you want to remember.
God's Word is true, and it helps light your way.

Observation

What is happening in this verse?
Who is speaking, and what are they saying?
What does this teach you about God?
Look for the big truth He wants you to see.

Application

How can you live this out today?
Is there something to do, change, remember, or believe?
Choose one small next step.
God's Word helps us grow, one day at a time

Prayer

Talk to God about what you read.
Thank Him, ask for help, and tell Him how you feel.
Ask Him to help you live His truth today.
He hears you, loves you, and cares for you.

Amen.
